Project Work

SaucyKPS Bot v1 | *Sole Developer & Architect* | [Live URL](#)   **2025**
- A Telegram-native "Cloud Kitchen" OS engineered to automate restaurant logistics.
- **Eliminated 20-30% in commission fees** by bypassing third-party delivery platforms via a direct-to-consumer interface.
- Reduced order-to-dispatch time to **<1 second** (prev. 15 mins) by automating identity mapping with Node.js and Supabase.

GDG Bacolod Platform | *Sole Developer & Architect* | [Live URL](#)   **2025**
- Offline-ready Progressive Web App (PWA) built for community management and event tracking.
- Automated certificate generation for **800+ attendees**, reducing organizer workload by 90% using Cloud Functions.
- Leveraged **React 19 and Firebase Firestore** to ensure real-time data sync in low-connectivity venues.

Experience

Google Developer Groups (GDG) on Campus USLS   **Sep 2024 – June 2025**
Organizer & CEO   *Bacolod City, Philippines*
- Scaled tech community membership from 500+ to **1,500+** in 5 months by executing strategic engagement initiatives.
- Managed and mentored a team of **40+ officers**, ensuring efficient delivery of **50+ events** and workshops.
- Served as Project Lead for 6 international events, connecting 2,650+ members with global industry leaders.

Armada Brands   **June 2024 – Sep 2024**
Creatives & Marketing Intern   *Makati, Philippines*
- Designated as an officially recognized **Shopify Developer** after building and deploying a fully functional website using **Liquid**.
- Spearheaded creative strategy for major **7.7 and 8.8 campaigns**, producing high-conversion video assets that drove thousands of views across TikTok Shop, Shopee, and Lazada.
- Streamlined creative workflows and led the **onboarding of new team members**, providing mentorship to ensure consistent brand alignment across diverse portfolios.

Google Developer Groups Bacolod   **Nov 2022 – June 2025**
Creatives Co-head   *Bacolod City, Philippines*
- Developed software assets and 3D motion graphics to support large-scale tech conferences like DevFest.
- Collaborated with regional leads to expand community reach across **30+ cities** through multimedia marketing.

Education

University of St. La Salle   **Aug 2021 – June 2025**
*Bachelor of Science in Computer Science | **1.3 GWA** (View Grades)*   *Bacolod City, Philippines*
- **Rank 1 Dean's Lister (2021-2022)** out of 7,000+ Students ● Consistent Dean's List (2021-2025)
- **Legacy Builder Award (2025)** ● **Role Model of the Year (2023)** ● Outstanding Intern (2025) ● **National Top 10 Creative Awards**
